

## Unity Pledge

As a disciple of Jesus Christ, I am committed to the unity and harmony intended for His Body, the Church. I repent and ask forgiveness for any way I have alienated others. I share remorse for every thought, word, or action that has divided the Church. I will forgive those who have sinned against me. I will pray for the unity and harmony of God's people. And I will work with other Christians to move beyond any racial barriers, demonstrating the unity of the Glory of Christ our Lord.
